

Environmental Policy

YH America, Inc. Sealant Division is committed to contributing to the unique quality of life shared by residents of the Bluegrass and hope we can continue to earn the respect of our neighbors. Our environmental policy is derived from this idea. We are committed to protecting the environment and will manage our processes, our materials, and our people in order to reduce the environmental impacts associated with our work.

YH America, Inc. Sealant Division pledges to implement and operate the ISO 14001 Environmental Management System to further enhance environmental performance. Our main objectives are to:

- strive for continual improvement of the EMS
- meet or exceed applicable legal and other requirements
- apply practices and control techniques to minimize pollution
- prevent pollution through reuse, recycling, and reduction
- strive to minimize releases to air, water, and land

The setting of environmental objectives and targets will be an integral part of the annual companywide business plan. Performance to these targets will be reviewed on a regular basis and actions will be taken as needed to achieve set goals.

This policy is relevant to our organizational goals and has been communicated to all employees so that each understands his or her role in protecting the environment
